

BLK 15j Xenon

The BLK 15j is a very bright general purpose industrial beacon, with a tough seawater proof aluminium base and polycarbonate lens. The BLK 15j offers a very bright alternative to the general purpose BLK 5j.

Technical Specification

Voltage	24Vdc (16Vdc to 30Vdc) 230Vac
Current	900mA at 24Vdc 250mA @230Vac
Flash rate	0.5Hz
Flash power	15j*
Flash colour	Clear, red, amber, green, blue
Temperature	-30°C to +50°C
Protection	IP65
Construction	Lens - polycarbonate base - seawater proof coated aluminium
Weight	0.7Kg
Colours	Base - light grey

*Not rated for continuous operation

Features

- Wall mounting 15j beacon
- 5 lens colours
- IP65 protection
- Salt water resistant aluminium and polycarbonate housing

Benefits

- An extremely bright beacon providing long range visibility
- Signal colour to suit all events
- Suitable for internal or external use
- Suitable for use in the harshest of environments
